Thanks!

No comments from me either.

Mary - Attached is the most recent version of the FRN for your convenience.

Subject: RE: Announcing next two TSCA SACC Meetings

Shirley,

Hayley caught one additional edit – on page 12:

“The request should identify the name of the individual making the presentation, and the organization (if any) the individual will represent, ~~and any requirements for audiovisual equipment.~~”

The AV equipment part is a carryover from the “in-person” meeting standard text and is not applicable to the virtual meeting.

Thanks.

Steve

Shirley,

The meeting DFO (Diana Wong) reminded me of some member availability changes for Friday, May 1. Therefore, we'll need to adjust the dates in the FR to April 27 – 30.

I've made the revision in the attached. Sorry for the late adjustment but there is much going on at present.

Thanks.

Per Alex and OPA – asbestos needs to be virtual only. Let's wait to decide on logistics for the Perc meeting until later in April.

Thanks Allison.

+David Fischer, Mark Hartman, and Steve Knott

Per OPA's guidance below, we will use the language we used for the TCE all virtual meeting for an all virtual asbestos meeting.

Please keep us posted on any updates.

Best,
Hayley

I would say make them virtual until at least June. And if that changes, then you can update. CDC said 8 weeks for no more than 50 people...June gives us 10.

Subject: Announcing next two TSCA SACC Meetings

Hi all,

As our know, we are planning to hold our virtual-only SACC meeting on the TCE draft risk evaluation next week. We will provide you with the list of registered media a day or two before the meeting (reporters may include Elizabeth Shogren, Pat Rizzuto, etc.) . Alex will give opening remarks.

I wanted to coordinate with you on when/how we communicate our next set on SACC meetings:

4/28-4/30 Draft Risk Eval on Asbestos

5/27-5/28- Draft Risk Eval on Perchlorate

We will need to publically communicate very soon the date and location for the April SACC meeting on Asbestos (NLT the 4/26) via a FRN, our website, and a listserv. We are planning for this to be a face to face meeting however, with your approval, we want to acknowledge that in light of COVID-19 we may need to go virtual. (like we did for our TCE meeting next week). Does the agency have any suggested messaging we should use in our FRN and other communications for communicating that we may need to modify our in-person meeting plans in light of COVID-19? We will share our draft listserv announcing this meeting with you all too prior to issuing as well.
